

AKSH OPTIFIBRE TO EXPAND BASE IN PUNJAB

CHANDIGARH: Aksh Optifibre's IPTV service, iControl, announced its plan to strengthen operations in Punjab. The service expands its partner ecosystem by bringing onboard Channel Partners. iControl is associated with BSNL in Punjab for providing its IPTV service. Aksh Optifibre also plans to enhance the aggressive marketing strategy for garnering maximum number of potential subscribers and channel partners who in turn will get an opportunity to invest in a new and promising business.

Currently, the service is available in Delhi, Mumbai and cities of Haryana, Punjab, Himachal Pradesh, Jammu & Kashmir, Rajasthan and Uttar Pradesh.
